## Our Vision & Mission

Our vision is to empower our students with values, knowledge and skills to be successful in their career and

life in a rapidly changing society.

# Vision

### We are committed to:

- Use an amalgam of scholastic and co-scholastic strategies for the holistic development of the students.
- Enrich the experience of learning through relevant, innovative and constantly evolving methodology along with suitable technological applications.
- Facilitate the individual, social, emotional, and spiritual growth of the students and instill a sense

of responsibility towards self.

- Equip them with such skills as critical and lateral thinking and to help them evolve as lifelong learners.
- Build a safe and supportive environment, free of prejudice and discrimination of any kind.
- Develop and retain the best talent of the staff through a process of continual improvement.

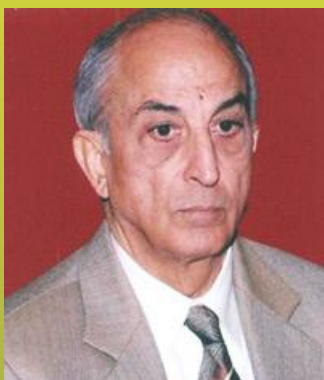

# Mission

The motto of the Delhi Public School Society is a vivid reflection of the mettle and dedication that goes into the making of a noble institution, with a noble mission. It is a constant reminder that the DPS spirit always accords greater priority to the welfare of others over welfare of

the self. Service towards an enlightened path has always been the bedrock of DPS philosophy; a philosophy that reflects a commitment to serve others willingly, graciously and selflessly.

*The Motto of DPSS*  
**Service Before Self**

## DPS Society

**Mr. V.K. Shunglu**  
Chairman, DPS Society

**Mr. Pramod Grover**  
Chairman, DPS Bathinda

**Mr. Ramesh Talwar**  
Pro Vice Chairman, DPS  
Bathinda

**Dr. Arun Jee**  
Principal, DPS Bathinda

The Delhi Public School Society is the central guiding force behind 147 school initiatives in and around the country, imparting quality education to millions of children. Right from its inception in 1949, the Society has been a treasure house of excellence in education. The Society is governed by a Board comprising distinguished personalities from various spheres of eminence, who have selflessly guided the society

over the years to keep pace with time and helped formulate pro-active policies in the larger interest of the populace. The philosophy of quality education for all finds its roots in the very reason of the society's being, and it has accordingly been the effort of the society to establish schools in all parts of the country to cater to the educational needs of as many children as possible. The centralized governance of people of

eminence, letters and authority has helped DPS society maintain the highest standards in all it undertakes, and to keep ahead with a vision of an enlightened and well educated social order. With more and more centres emerging as a result of this education movement, DPS has become the single largest school education society in the continent, and perhaps, the entire world.

***“Strong Pillars of Delhi Public School Bathinda”***

## Our School At a Glance:

The Delhi Public School, Bathinda was established in 2003 under the aegis of Delhi Public School Society. It is a senior secondary co-educational day-cum-boarding school affiliated to the Central Board of Secondary Education (CBSE). Life in Delhi Public School centers on a shared commitment to academic excellence, intellectual growth, arts, athletics, and high standards of ethical awareness, sportsmanship, and community service. Depth and variety are added to each student's life by the school's traditions and accessibility to a broad curriculum.

The school proudly upholds the commitment of excellence in all fields with emphasis on the motto Service Before Self of DPS society. The campus is spread over a lush green, pollution free area of 14 acres on main Bathinda - Goniana road. It is divided aesthetically and thematically into various blocks, designed for maximum convenience and utility of the students.

The school medical room is being managed by a qualified and experienced doctor with the assistance of a nurse. Besides the day to day work, the medical

room provides the facility of regular health check up of the students in the school and the hostels.

Delhi Public School Bathinda boasts of a fleet of 34 buses which cover 45km radius.

The transport system is equipped with full-fledged GPS-Tracking system to assist parents and school to monitor the speed and routes of the buses online. To ensure safety and convenience, each bus is provided with a conductor and a teacher in-charge.

## Student Life

The DPS campus is eco-friendly and is designed in a way to seamlessly integrate academic spaces and recreational hang out spots. The objective is to encourage interaction amongst students and to foster the spirit of community living and learning. Here you will learn as much from your interactions with other students in clubs, societies and sports as you will from other course work. Such exchanges will help you form enduring friendships and make your stay at DPS Bathinda a memorable one.

The campus offers a slew of recreational, fitness and sporting facilities. There are football and Cricket fields, Basketball, Badminton, Tennis, Skating rink, and Volleyball courts etc. Qualified sports instructors and coaches supervise the sports programme.

### *At DPS,*

*We are committed to enhance the quality of Students' life by maintaining an open, yet safe environment.*

*The campus is a secure gated community with CCTV cameras and 24/7 security.*

## Kindergarten

Kindergarten is indeed the garden for the tiny tots of DPS Bathinda. The students here undergo the transition from home to school and get the opportunities to learn through such activities as playing, singing, drawing, coloring and recitation. The school recognises the different pace of learning for each child and the focus is more on orals than on writing, on concept building than on rote learning.

## Laboratories

### ● Assessment Lab

Assessment Lab provides an opportunity to enhance students' conceptual understanding of theory – practice relationship, thereby analysing the result of that learning. Being a comprehensive assessment programme, the students can rectify their problem areas through a series of tests. It is a handy diagnostic tool for the teachers as well.

### ● Biology Lab

The biology lab is an interesting place for all the students to visit because it takes them a step nearer to their own lives. Keeping the latest syllabus in mind the models, specimens, charts, chemicals etc. have been well planned.

### ● Chemistry Lab

The chemistry lab is well equipped with all the modern apparatus and chemicals. The students are guided by teachers and lab assistants to complete their projects and experiments. Extra emphasis is given on safety measures for making learning a hassle free process.

### ● Computer Lab

Computer lab has 50 latest computers and internet access. The school houses a fully equipped Computer lab for junior and senior wing where the complete strength of the classes can be catered at one go. The students have free access to the systems and are encouraged to exploit the system resources and in this, highly experienced and talented computer teachers and a lab assistant support them.

## ● Language Lab

Language lab is equipped with modern communication system fitted for speech therapy and other audio and video activities which are designed to help them develop awareness about how they learn, improve their language skills like pronunciation and intonation. English, Hindi, Punjabi, Sanskrit and French are the languages taught in the school.

## ● Math Lab

Math lab is a colorful lab to facilitate and engage the students in a variety of hands on learning experiences. The students and teachers have put together models and gadgets in the laboratory.

There is also extensive use of technology. The computers and the internet are used for teaching, self learning, interactive mental maths quizzes and speed calculation competitions. The geometer sketch pad and the handheld calculators are used to explain concepts from coordinate geometry to calculus, to learn and understand quadratic equations; conic sections and trigonometric curves etc.

### ● Physics Lab

The school has a dedicated Physics Lab with the latest equipment for the students to perform the experiments and acquire hands on experience.

### ● Robotics Lab

Robotics is an effective way of introducing programming to the students which helps in addressing the growing demand for integrating Science, technology, engineering and maths in schools. To inculcate in students a scientific temper, the school has well equipped Robotics Lab where they experiment and innovate with electronic devices under expert guidance.

## ● Library

Delhi Public School Bathinda is equipped with a computerized library system. The library follows Open Access System. The books are issued and returned through a Bar Coding System. To inculcate the reading skills, different scholastic activities like reading, meditation, book clubs and book fairs are organized. For the reinforcement of reading habit we also have book review sessions for both students and teachers.

## ● E-Learning

All the classrooms are equipped with e-learning gadgets like a projector, whiteboard and a computer installed with digital contents to make the teaching-learning process easier. New block has a special privilege of having latest touch projectors for the teachers which enables convenience and effectiveness. More and more modules are added each year.

## ● *Infirmary*

The school medical room is being managed by a qualified and experienced doctor with the assistance of a nurse. Besides the day to day work, the medical room provides the facility of regular health check up of the students in the school and the hostels.

## Sports

Games and sports are an integral part of a student's life. The students should study hard to be successful in competitive examinations. But, they should also play games and sports to enjoy the health and vigor of life.

We offer various games and sports. We have facilities for playing indoor games like Chess, Ludo, Carrom Board, table tennis, skating, etc. & outdoor games like Cricket, Football, and Basketball, etc. along with Track and Field events.

## Assemblies

The morning assembly is the most important event of the day for the students. It not only gives them a fresh impetus but also helps them in acquiring knowledge, honing their public speaking skills and understanding values. The assemblies at DPS Bathinda are meaningful and related to the vision and mission of the school. Besides usual class assemblies on relevant topics, **special assemblies** are also held to celebrate various occasions and to sensitize the students towards social and environmental issues.

# Clubs

## ● Heritage Club

The club acquaints the students with our culture, ethics and national heritage. Collage making on various monuments and heritage sites and skits based on historical events are some of the activities pursued in this club. Various videos are also shown to the students. Trips to these sites are also organised by this club.

## ● Literary Club

Literary club aims at honing the literary abilities of the students. Debates, Skits, role plays, essay/article writing are some of the activities that are organized by this club.

## ● Theatre Club

The students in this club learn to give expressions to their feelings and thoughts through plays, Nukkad Natak, poetry, drama etc.

### ● Science Club

This club is dedicated towards building a scientific temperament in the students. The members work on the new researches in the field of science, deliberate on how science can help in improving our lifestyle.

### ● Bloggers Club

This is a platform for all those who would like their creative urge of writing to find expression on the various blog sites of the internet.

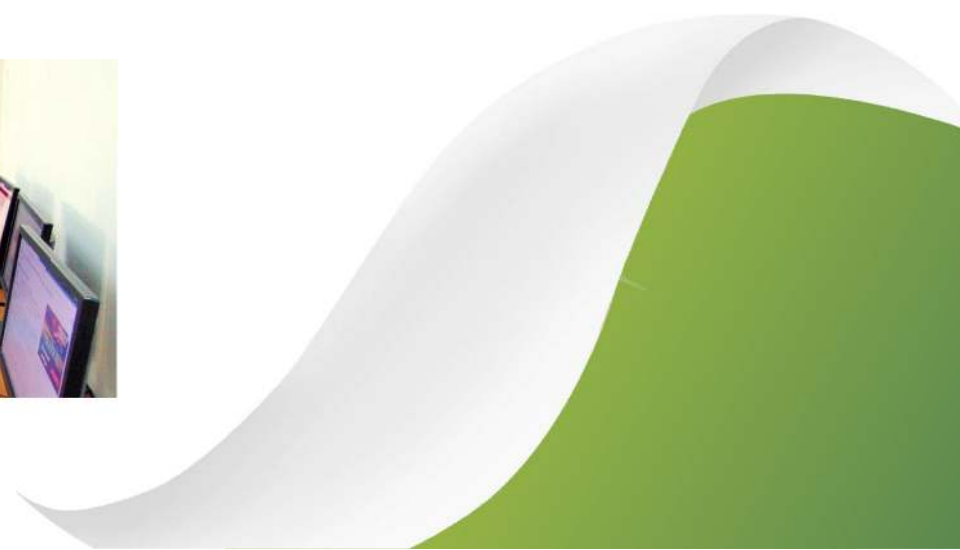

### ● Quiz Club

This club motivates the students to take part in different quiz competitions and enhance their awareness about the world. It motivates the students to speak on different General Knowledge topics confidently.

### ● Earth Club

This club aims at sensitizing the students to the environmental problems through a wide range of activities like water testing, tree plantation campaign, exhibitions etc.

# Houses

● There are **SIX** houses in the school

- Chenab
- Ganga
- Jhelum
- Ravi
- Sutlej
- Yamuna

Each student from class IV onwards is allotted one of the houses. Each house is headed by a girl and boy House Captain. A member of the staff assisted by several other teachers, act as the House Warden. Points are awarded to the students throughout the year for extracurricular activities through Inter-House competitions in sports, dramatics, debates, quiz, art and music and prizes/trophies are awarded accordingly. At the end of the year, the house gaining the highest points is awarded the championship trophy.

## Home Away From Home
